Reunion LOG Stories Needed

We need stories from you for the Reunion Log. They can be about you and something you'd like to share. We are also highlighting young men who served in World War II since this is the 75th anniversary of D-Day. They'll need to be sent within the next 10 days to thereunionlog@gmail.com. Pictures, too.

Want to make a donation? Include it in your check, and designate whether it's a small contribution for the reunion expenses (copying, stamps, etc.) or to the OHHS/CHS Alumni Association scholarship fund. Donations to the Alumni Association are tax deductible.

We have a place for your Red Devil memorabilia.

The Alumni Association has acquired a new home, so if you have any memorabilia lying around that your children definitely won't want to keep after you are gone, consider bringing it to the reunion and adding it to the collection. We are just getting started, but hope the site will be our permanent home.

Labor Day Weekend—Fun Times in Oak Hill

If you were *ever* a part of the CHS Class of 1964, you are invited to a gathering of classmates to celebrate **55 years** since we walked across the stage in that hot gym with threats by Miss Bishop until the final minute that she could still “pull you out of the line”.

There are two planned events, with plenty of wiggle room to add another. On Friday, we hope all of you will join the all-class dinner at the Tamarack Event Center. You have already received information about that in the Alumni Association newsletter. We will have reserved seating, and someone from our class will make a 2-3 minute speech about our class. Of course, we still think it was the best ever.

On Saturday, after the parade, we will gather on Jerry and Sherry’s patio for food, fun, and, if you must see it, football on TV. Swimming is also an option.

There’s a special free opportunity for attendees. We have arranged a tour of the Bechtel Summit, the 14,000-acre home of the National Boy Scout Jamboree and site of the 2019 World Jamboree, which will be attended by 50,000 scouts.

Our tour will be at 2 p.m., and we can carpool to the site from the picnic.

Thursday Anyone?

For our 50-year reunion, we met at Collins and toured the school and went out to eat as a group. A few months later, Collins was condemned, so we were the last class of alums to get to visit inside.

If there is interest, we can plan to meet Thursday evening somewhere in town for dinner-on-your own. Let us know.

Oak Leaf Festival

It’s Oak Leaf Festival Weekend in Oak Hill, and Main Street will be humming Saturday. There will be vendors, a parade (On Red Devils is guaranteed), and free evening entertainment at the Lively Amphitheater. It’s a great time to see folks.

Class of ‘64 Scholarship

Several years ago, Linda Akers Morris made a sizeable donation to the Alumni Association that was earmarked for a scholarship from the Class of 1964. Since then, donations from classmates have enabled the Association to award at least one \$1,000 scholarship each year. If you want to donate to a truly worth cause, join the many who have helped continue this worthy fund
