

MEMORIALS

Some of those listed below represent names we have heard; some were friends who had moved away and we hadn't seen for years; others were friends or loved ones we saw at last year's reunion or talked with days before their passing. Regardless of how long it's been, death hurts us all. Please remember the families of those who have passed since last year's newsletter, and let us know when you hear of the death of an alumnus/alumna. Check, too, on Facebook: In Memory of All Red Devils
